Sir,

I am directed to acknowledge the receipt of your office letter No. 1164-76 dated 18th May 1888 regarding the grant by the Mysore Durbar to Lieut.-Colonel R. Lawrie, late of the Mysore Revenue Survey, of a term of three months pay on the occasion of his retirement

to Military duty.

2. In reply, I am to state that we doubt having yet decided as to the right of a British officer serving in India to accept a token with out the sanction of the Foreign Department, the question has been submitted to the Government of India for orders. The Government of India is of opinion that a token or Compensation or gratuity of any kind should be paid by a Native State to an officer of the British

establishment whose Services have been placed at the disposal of that State, with the Consent of the Government of India.

3. I am accordingly to request that in future the previous Sanction of the Government of India may invariably be obtained through this Residency before any Engagement of the nature of — as above is made by the Durbar to British Officers

Officers Service in Mysore.
